

After the Big Success in 2009 & 2011

# Thermosets 2013

**Call for Abstracts and Posters!**

Thermosetting Resins - From Monomers to Components

Berlin, September 18 - 20, 2013

[www.thermosets.de](http://www.thermosets.de)

 **Fraunhofer**  
PYCO

Lectures and presentations by experts from renowned universities, research institutions and business companies

New research results, current developments and challenges in technology

- **Chemistry of thermosetting resins**
- **Characterization and modeling of thermosetting resins**
- **Processing of thermosetting resins**
- **Fiber-reinforced thermosets**

The technical program will include plenary and parallel sessions as well as poster presentations.

#### **Conference Host**

Fraunhofer Research Institution for Polymeric Materials and Composites PYCO, Teltow, Germany  
[www.pyco.fraunhofer.de](http://www.pyco.fraunhofer.de)

Find more information: **[www.thermosets.de](http://www.thermosets.de)**

#### **Time Schedule**

Abstract submission deadline:

December 31, 2012

Notification of acceptance:

March 15, 2013

Advanced program:

April 30, 2013

End of early bird registration:

May 31, 2013

Submission for publication:

June 15, 2013

Thermosets 2013:

September 18 - 20, 2013

#### **Registration**

The conference fee is 950,00 EURO

(including coffee breaks, lunch breaks, welcome reception, conference publications).

In case of at least 2 attendants of the same company / institution you receive a 7,5% discount.

#### **Early Bird Registration**

When paid until May 31, 2013 an additional 15% discount is given.
